Public Welfare Revitalization Network: [Kuaishou Public Welfare Launches a Special Short Film on Caring for People with Disabilities, Gathering Positive Energy](#)

On the occasion of the International Day of Persons with Disabilities on December 3rd, Kuaishou Public Welfare, in collaboration with the China Disabled Persons' Federation News and Publicity Promotion Association and five media outlets, launched a special theme titled "Connection: Let Every Life Resonate." The project revisited disabled creators who have used short videos and live streaming on Kuaishou to document and create a better life, as well as creators who care for people with disabilities, gathering positive energy and embracing every kind of life.
