

500 Hometowns: From Seeing to Reaching

2026.02.09

Xinhua News: [500 Hometowns: From Seeing to Reaching](#).

Now in its sixth season, "500 Hometowns" has evolved from initial exploration into a mature initiative. Launched by the Kuaishou platform as a content IP, the program continues to delve into often-overlooked mid-tier cities. Through authentic and tangible narratives, it offers profound interpretations of each locale, charting a rich and vivid humanistic map of contemporary China.
