China News Service: [How to Protect Minors' Online Safety During Summer Vacation? Prosecutors Offer a Practical 'Online Safety Guide'](#)

To strengthen teenagers' awareness of online safety and legal literacy, and to enhance minors' ability to guard against online risks, Kuaishou, together with the Beijing Haidian District People's Procuratorate, held a summer-themed minor online protection event on July 21. Combining livestream experiences with legal education classes, the event delivered a vivid online safety lesson for young people.
