According to the arrangements for the 2026 "National Anti-Fraud in Action" publicity month organized by the Publicity Department of the CPC Central Committee and the Ministry of Public Security, the Criminal Investigation Bureau of the Ministry of Public Security recently held the sixth "Youth Anti-Fraud in Action" publicity event in Beijing. More than 500 participants attended the event, including officials from the Press and Publicity Bureau of the Ministry of Public Security, the Information Bureau of the Publicity Department of the CPC Central Committee, the Cyberspace Comprehensive Governance Bureau of the Cyberspace Administration of China, and the Cybersecurity Administration of the Ministry of Industry and Information Technology, as well as young Party members and anti-fraud youth volunteers from the People's Public Security University of China and more than 30 internet companies. As a leading short-video and livestreaming platform, Kuaishou actively participated in the event.
