Nowadays, live-streaming recruitment has emerged as a crucial approach to boost employment. The recent inauguration of the Baotou City Live-streaming Recruitment Base, coupled with the conclusion of the Chinese New Year Recruitment Month Job Fair, marks the official launch of a live-streaming recruitment base, the Baotou City Talent Live-streaming Recruitment Base. It is known that this innovative recruitment base is a collaborative effort among the China Baotou High-tech Talent Service Center, Kuaishou's Kwai Hire and Inner Mongolia Boshen Human Resources Co., Ltd. As a forerunner in the field of live-streaming recruitment, Kuaishou's Kwai Hire has developed a new model centered around trust, empowering the industry with digital capabilities for high-quality development.
